

Year 11 Compulsory Revision: October – December

Each week, you must complete three revision style tasks. Each task has a set time. Each week the tasks change topic so that you cover topics that you may be beginning to forget. You must write your name and the date on the piece of lined paper you complete your work on. Write neatly and put your homework in your homework folder or book on the date it is due in. Your teacher will check your work has been done through quizzes or checking your work. Any missed homeworks will immediately mean you make up the time (10, 20 or 30 mins) in a detention as soon as possible. Persistent homework failure will result in longer lunchtime or after school detentions and will be logged.
